Event notes:

- In signing into the call, please could you type your full name so that the attendance list is easily compiled.
- Please mute your microphone.
- Each session will be followed by an opportunity for questions and answers. In the interest of time, please could questions be typed and sent in the chat window as the presentations are running so they can be addressed as the session ends. Please make sure it's clear to which numbered presentation within the session that your question refers.
- Anyone wishing to ask a verbal question within the Q&A can indicate this in the chat window. Time permitting, the Chair will call upon you at the appropriate time.
- If there are no objections during the introductions, the WRCN will attempt to record the event and make it available on SharePoint (NHS staff only) at a later date. The recording can be paused at any stage by the administrator on request.
